

24<sup>th</sup> March, 2020

Dear Parents/Guardians,

Thank you for your patience and cooperation during these very confusing and uncertain times.

In order to support our staff in preparing and delivering content for our online learning mode, we urgently require Professional Learning for this new method of delivery. The following two days (Wednesday, 25<sup>th</sup> March and Thursday, 26<sup>th</sup> March) will be allocated for Professional Learning.

The College will remain open with limited supervision available.

During these two days, each student will still be able to access online learning materials for each scheduled subject using Google Classroom. Students are familiar with this platform.

Yours sincerely,

Mr Michael Vella
