

3rd February, 2020

Dear Parent/Guardian,

Permission to Drive to Wollongbar or Lismore TAFE

Senior students that undertake EVET courses will be required to attend these courses at Wollongbar TAFE from either 10:00am-5:00pm or 1:00pm-5:00pm each Wednesday or Ballina TAFE from 8:30am-5:00pm each Wednesday.

Licensed Year 12 students that have access to a vehicle or students who will be transported by parents will be permitted to drive to the TAFE Wollongbar or Ballina Campus.

Considering that there is public transport available, students need to realise that permission to drive is a privilege that should not be taken lightly. Students who abuse this privilege can have it revoked at any time and be required to attend TAFE using existing public transport arrangements.

Students granted this privilege are not permitted to transport any other students.

Finally, we ask parents/guardians to discuss these issues before signing the permission slip.

If you have any questions regarding driving to TAFE, please contact Mrs Karina Lampe at the College.

Please return this form to the College Office by Monday, 10th February, 2020.

Yours sincerely,

Mrs K. Lampe
VET Coordinator

.....
Please return permission slip to the College Office by Monday, 10th February, 2020.
