

18th February, 2020

Dear Parent/Guardian,

Success One HSC Books 2020 Edition

Our students have the opportunity to buy the **Success One** book of past HSC papers at a much cheaper price (\$26 instead of \$39.95 for Mathematic, Mathematics Extension I and Mathematics Standard 2) through a bulk order by the College. Students can use these books to revise all of their work and prepare for school examinations and the HSC. After the completion of all topics working through past exam questions is the best preparation for the actual HSC exam.

Mathematics and **Mathematics Extension 1** contain up to 24 years of past HSC Examination Papers with worked answers. The topic index includes page and question references can be used to locate questions on particular topics for revision. Past HSC papers are in their original layout and the solutions are clear.

Standard 2 Mathematics contains past HSC papers from 2008 to 2019 with worked answers. It contains a mark maximiser guide with advice on exam techniques. The exam papers are in their original layout and the solutions clearly show the required working.

Students who are interested in purchasing a book should inform their teacher, and return the tear off slip below with the correct money in an envelope to the Office by **Friday, 13th March 2020**. To ensure that books are ordered and mailed to us promptly, no payment will be accepted after this date.

Yours sincerely,

Mr Graham Black
Leader of Mathematics Assistant

..... ✂ ✂
*Please return the slip below, with payment, to the College Office by **Friday, 13th March 2020**.*
